**1. When you were a kid, what did you always want to be when you grew up?**

*A police officer, so that I could wear the cool uniform, protect people, and be like Face from the A-Team*

**2. If you won the lottery, what would you do with the money?**

*Pay off my debts, put some in savings and then look to find a way to purchase a sports team*

**3. Who is your hero? (a parent, celebrity, an influential person)**

*I have always looked up to Winston Churchill and FDR for their collective fortitude & determination during very tenuous times*

**4. What is your favorite vacation spot?**

*The south Jersey shore -- nothing says "family" like a week at a beach house*

**5. What is your biggest pet peeve?**

*Dishonesty and people being rude -- there is no need to do either*

**6. Share a fun fact about yourself/hidden talent:**

*I have a white condiment phobia -- so no Mayo, Sour Cream, Ranch Blue Cheese etc. (I do enjoy milk!)*

**7. If you could bring back one celebrity/entertainer/actor from the dead who would it be?**

*Heath Ledger -- I felt he had much more to give, and I would have loved to see him reprise his role as Joker*

**8. What time period would you travel back/forward to?**

*I wouldn't go anywhere -- we live in such amazing times now. Live for the present!*

**9. If someone made a movie about your life, who would they cast to play you?**

*Most people would likely say Kevin James but I would think it would be Matt Damon*

**10. Tell us about your pet(s)!**

*Dexter is my dachshund, terrier mix. He has a very large prey instinct -- just say "squirrel" and he goes nuts!*
